[PicMonkey](http://www.picmonkey.com) - www.picmonkey.com

No access to photoshop itself? No photoshop skills? Pic Monkey has you covered. Great for editing photos and creating visual content for your social media and blogs!

[Canva](http://www.canva.com) - www.canva.com

Canva is really amazing for it's versatility in creating a wide range of documents. They even have templates and quality graphics for you!

(HUGE SECRET: This document was created in Canva! Cool right?)

[Emaze](http://www.emaze.com) - www.emaze.com

Say goodbye to boring powerpoint presentations! Emaze has templates and styles that are quality made and ready for your content & brand. Or you can use them as is. I won't tell ;)

[Fiverr](http://www.fiverr.com) - www.fiverr.com

Get what you need DONE for no less than \$5! How's that for a power budget?

[Graphic River](http://www.graphicriver.net) - www.graphicriver.net

If you're on a budget and you're looking for QUALITY templates & graphics on a budget. GraphicRiver is where you need to look. Especially for your presentations.

[Splash](http://www.splashthat.com) - www.splashthat.com

Move over Eventbrite! SplashThat is a great alternative to event registration. My favorite part about it is the built in hashtag content aggregator that you can use to display your attendees social media activity at your next event! Talk about "Dynamik!"

[Splasheo](http://www.splasheo.com) - www.splasheo.com

Great video intros for your youtube videos, event promotions and social media video marketing.

[Tagboard](http://www.tagboard.com) - www.tagboard.com

Once you've established a specific hashtag for your next event. Use tagboard to pull up all social media posts tagged with that hashtag to see all your attendees social media posts play out LIVE! You can even embed or link it onto your event's website/event page.

[Moo](http://www.moo.com) - www.moo.com

Yup! That's right. You read that correctly. The company is called MOO! But they have every right to have such a unique name, because they're such a unique printing company. From your business cards, to your table cards, to some cool invitation/flyer ideas. They are absolutely DYNAMIK!

About Dynamik Endeavors

Dynamik Endeavors, LLC, is a Creative Advertising, Strategy, & Social Media consultancy for small businesses and events. The very fiber of Dynamik Endeavors aims to build a platform where we become a premier source for Dynamic creative quality with compelling vision for every creative entrepreneur. We provide such vision through various creative services, innovations and education. We execute these goals one strategy at a time to ultimately build a complete experience no matter how big or small our client's endeavor may be. No vision is ever too small. It may very well be the stepping-stone to something greater.

What makes us #TrulyDynamik is that not only do we carry out various relative solutions for our clients, but we also educate them through the process as well. For this reason does Dynamic Endeavors plan on building in an online education platform for our clients, customers and prospects. We believe that when we learn more about the creative process, that we gain more leverage to take our endeavors to new heights. This way through creative service and education, our clients get a complete service by coming to us. Not to mention our ideas aren't half bad either.

There is a plethora of creative professionals and small business owners, who not only need our service and dynamic power solutions, but they need a go-to company that they can count on to expand their creative endeavors and educate them in the process, via a willingness to learn, as well. It's one thing to provide creative services and call it a day. But it's a complete separate endeavor when you encounter a company that is willing to teach, coach and elevate you in the process. Now that's no easy feat, but that's what we're built for. To be #TrulyDynamik.
